

"Gather My Apostles"

News Letter Vol. 4

!! This is an Important Last Days Message to the Body of Christ !!

There has been almost two thousand years of rebellion led by Satan against the Kingdom of God and the Body of Christ. Men imposing and inflicting their own doctrine and ways instead of carefully adhering to the Lord's Order and Ways. "**Beware the Leaven of the Pharisees**"

There is much talk and much debate on the Subject of Apostles. The Lord talked to me and taught me for many years about His Calling His Church to Order, long before He gave me the Command to; "**Gather His Apostles from around the World into one Place and Time as has not been since the days of Pentecost.**"

The Subject really is the Lord Calling His Church to Order. This Gathering of the Lord's Apostles under His direct Command is a Major first step in the restoration.

I am going to ask you to carefully read this newsletter. There are several very important subjects that I must address that concerns the Body of Christ.

The words of the Lord's Command given to me has been my Mandate. I have understood the importance and significance of this Command to Gather His Apostles from the beginning. I have tried with everything with in me to keep it as pure and untainted by men's doctrines as I can. This work and ministry could have been doing much better financially but unfortunately too many desire to control and manipulate according to their own understanding with their giving. I have not desired to nor have I been able to compromise the Command and understanding given to me by the Lord. I have not been allowed to join in the continuing Rhetoric or debates. There are many who seek the Honor that comes from men more than the Honor that comes from God.

There are still many who don't understand this Gathering of the Lord's Apostles. The normal, is to set up a meeting with speakers and advertise. Many think that I am just renting a building and expecting all who say they are Apostles to show up. Please understand, if we did that we would have the largest Gathering of FALSE APOSTLES EVER. I DO NOT WANT ANY PART OF THAT AND NEITHER DO YOU if you have any understanding. I do not want to spend eternity ashamed of not taking the Lord's Command seriously. I have placed the words of the Lord's Command to me at the bottom of the page. Please read it prayerfully it is important.

There are many who say they are Apostles because their Churches and other men have ordained them to be Apostles or just prayed that they should be. I have even seen some who presume to be an Apostle out of pride. This erroneous doctrine of men calling men to be Apostles, is as hideous as any false doctrine of the last two thousand years. I would like to suggest to those who have taken on the title of an Apostle because of these false doctrines, to Fear God and get good understanding that all might be well with you.

There is only one anointing and that is of God. The term Apostolic anointing is in error. Almighty God, creator of all things has set forth His Order and His Order of Authority both in the Church and in Society. When we pervert His Order and Ways in every aspect of life things do not go well. God is restoring His spiritual Order and Authority in His Church, I repeat IN HIS CHURCH, HIS BODY. We can either accept Wisdom and walk in it or we can insist on our own opinions and doctrines. You will not find favor with God trashing His Order and Ways.

Early on I asked the Lord if there were any women Apostles. His answer was no He had not called any women to be Apostles. Several times in the last two years He has spoken to me again about this. Once, just two days before a woman contacted me telling me that she was an Apostle and was told by the Lord that she would lead 80% of God's people in the Last Days. This is contrary to the word of God. The Lord knew she was going to contact me and made sure to remind me of what He had told me. The Order of God's Authority is to the man first. I can tell you it would make absolutely no difference to me if the word of God spoke differently.

The Lord told me that this Gathering of His Apostles under His direct Command was the KEY to Unlock His Glory and the Final move of His

Spirit for these last days. I know that if we give Him something other than what He ordered, this will not happen. It is very serious.

While the Lord was teaching me on this subject of Calling His Church to Order I was enduring great persecutions and ostracized by many Asian Buddhist. I know now that the Lord was even then preparing me for this work in Gathering His Apostles. I can testify to you that Satan does not want to see this Gathering come to pass. I have endured ferocious attacks almost continually. In the last six months the attacks have become more absurd to the point of desperate insanity. Satan knows he has but a short time. I have been ostracized by many who don't want to receive this message or think God should have given it to someone else. I don't know if you can understand the level of these attacks. I can assure you if this were not God's will, I would surely not be writing this letter to you today.

For two and a half years I have been working to get this message out to the Body of Christ. I have watched the hand of the Lord move this message of His Command around the World. I have concentrated on getting the word out and collecting names and testimonies of those who say they are Apostles.

NOW, IT IS TIME TO BRING IT ALL TOGETHER AS QUICKLY AS POSSIBLE.

In the Beginning of this Command I asked the Lord why He gave this to me, I really didn't want it. After three days of seeking Him for the answers, He said, "I have given you the Wisdom and Understanding to discern who is an Apostle unto me and who is not." He indicated here that WISDOM and UNDERSTANDING was to be utilized in the discernment of His Apostles.

This meeting is for all in the Body of Christ no one will be excluded. However the reason for the meeting is to recognize before God and the Lord's congregation the Apostles of Jesus Christ. To recognize His Order and Ways under the Kingship of Jesus Christ, Yeshua Messiah.

I do not believe that I am infallible by any means but I must obey in making the best concerted effort to discern who the Apostles are and expect the Lord to make up the difference. I never expected the Apostles of Jesus Christ to be a dime a dozen and I don't know how many there are in the

earth. Do I think that they will all be present? No, but we must do all that we can do as soon as possible. The main thing is to Obey the Lord.

I am asking all who say they are Apostles to send me their written testimony specifically for this work of Gathering the Lord's Apostles. And I am asking all to tell me why they say they are an Apostle. I'd like to know if the Lord has given you some specific direction.

Many have sent me their books or works. Many have just referred me to their web site. Some have just made the statement I am an Apostle. Some have indicated that their testimony cannot be shared with another.

I really don't have the time to search through so much material looking for the pearls and the evidence of your calling to be an Apostle. It is a reasonable request to be able to answer why you say you are an Apostle. We can be deceived. Many have heard in the Spirit that they are Apostles but are not. Satan is a deceiver. This is why it is necessary to review your testimony of your walk with the Lord. A True Apostle or a True Prophet will have a testimony of a close walk with the Lord and personal revelation of the Lord.. This is consistent with the very nature of the Calling of an Apostle. Everyone in the Body of Christ should be aware of this and have the wisdom and understanding to make a righteous discernment.

I will also seek the Lord to confirm my discernment. Please put the words APOSTLE TESTIMONY and YOUR NAME in the Subject line or in the Title.

I have seen many who are being called by the Lord to be Apostles who have not yet been called to their ministries. I have been restrained by the Lord many times in confirming their callings. As I said before it is time and past time to bring it all together.

Many have asked where the meeting will be. As I have said, I was impressed that it will be on the West Coast of the USA in the Anaheim area. This is still one of the answers that I seek the Lord to confirm. There have been several offers of places to meet one in Montana, One in Northern Calif. and two in Tennessee. God Bless each one.

No one has ever put together a meeting like this before. I know that I cannot do it alone. The time and the need for finances is greater than ever for this work. We must have a place reserved soon. I have to be able to let

everyone know the exact dates and place especially those traveling from overseas. I would like to run at least one full page ad in a Christian Magazine as soon as possible. To describe the Gathering and to put out a final call to the Apostles of Jesus Christ around the World. A full page Ad runs around \$10,000. I need to travel to California to make the reservations and there are many I need to communicate with by phone.

I would like to ask those of you who have experience in putting together large meetings to contact me. I am including in this newsletter my phone number please feel free to call before 8 p.m. Eastern Time.

Matthew Chapter 22 vs. 37 Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind. Vs. 38 This is the first and great commandment. Vs. 39 And the second is like unto it, Thou shalt love thy neighbor as thyself.

We are living in very exciting but perilous times. I ask the Lord to Bless You with all the Riches of His Kingdom. I ask Him to strengthen you and open the eyes of your understanding to know His perfect Will for your life.

Let the Love of Jesus Christ be in us all.

Love

Below is a brief description and the exact words the Lord spoke to me about this Gathering of His Apostles. Please read it prayerfully.

During the last five years that I was ministering the gospel of Jesus Christ over in remote jungle villages in Asia, the Lord was constantly speaking to me and teaching me about Calling His Church to Order. He told me to write it all down.

On my return to the States the Lord called me aside from everything else and commanded me to write the book. When the book was almost finished the Lord came to me one morning about 5:00am. He began by calling my name. It was very formal. I didn't respond immediately I didn't want to wake that early. Finally at the insistence of the Lord's words I answered with "Yes Lord", He then spoke to me and said, "**Gather together My Apostles**". I didn't fully understand and I asked Him to make it clear to me. He then

said, "Gather together My Apostles from around the world into one place and time as has not been since the days of Pentecost".

For three days I sought the Lord continuously for more information and understanding. He was silent. On the third day I became angry and demanded to know why He told me this and what did He want me to do? He finally answered and said, "I have given you the wisdom and understanding to discern who is and who is not an Apostle unto me". Then His last words were, "**Gather My Apostles**"!

This command began to come on Sept. 28, 1996. I wrestled with the Lord everyday and every night about this call. I was not looking for any new battles to take on. If anything I had asked the Lord to release me from the ministry after many years of serious persecution. In Dec. 96 I was watching a preacher on television talking about the Glory of the Last Days when suddenly the Lord spoke to me loud and clear startling me. He said, "I have given you the KEY that will Unlock my Glory and the Final Move of My Spirit for these Last Days". Until that moment I had not thought about this command being a Key. No man can turn this key alone.

In 1998 the subject arose about having a preliminary meeting in Jerusalem for this year. As I sought the Lord for direction He told me it was not necessary to go to Jerusalem. Then He said, "**This Gathering of My Apostles under My Command is about the bringing forth of the New Jerusalem. It is about the fulfillment of the Times of the Gentiles. It is in this fulfilling of the End Times of the Gentiles that my beloved Israel shall be provoked to jealousy. Use caution move not by the flesh, move not by power nor by might but by my Spirit saith the Lord.**" This word was given on 7-8-98. As you can see this is of Utmost Importance. The details surrounding this word is described in the News Letter Vol. 3. In this brief overview, I have given you some of the most important Words the Lord has spoken to me about this Gathering of His Apostles.

Before You dismiss this easily, let me ask you some questions. Is it possible that the Lord at some time during this Age would Call His Church to Order? In Calling His Church to Order, is it so hard to believe that He would begin by Commanding His Apostles to Gather according to His Own Order and Ways, even as He did in the birthing of His Church in the Beginning of this Age? If we can agree that He could and would then at what time in the fulfilling of the end time prophecies would He do this? If He

would command His Apostles to Gather in repentance for the lawlessness of the Churches in Times Past. Who do you think He should deliver that Command to? Is it possible that He would do it just at the brink of the beginning of Great Tribulations? We are on the Brink of Great Tribulations.
