

"Gather My Apostles"

News Letter Vol. 5

!! This is an Important Last Days Message to the Body of Christ !!

The Lord has been moving in marvelous ways to bring this Gathering that He Commanded to pass. From the day that the Lord first issued this command to me to Gather His Apostles from around the World into one place and time, it has seemed impossible.

For the past two and half years I have worked actively to get this message out around the world. Many times I had to stop and tell the Lord that if He didn't do something I could go no further. Each time He was faithful to answer. During this time I told the Lord repeatedly that if I was deceived, all He had to do was tell me and I would turn that web site into an apology to the Body of Christ ASAP. He never did but rather He confirmed His Command over and over again.

To those of you who have been following this from the beginning, you know that I have not written news letter after news letter to create a following or to induce and maintain excitement. I have written up to this point only four news letters, each time, only as the Lord led and impressed me to write.

I have never seen any thing like this before. I can testify to all that this Gathering of the Lord's Apostles has been kept pure from the doctrines of men and devils. It has not been about money. It has not been about reputations. It has not been about numbers. It has not been about personal influence. It has not been manipulated by anyone away from the purity of the Command Given by the Lord. There have been many who have discounted me because things were not done according to the way they thought it should be. (the Norm)

In Short this is of the Lord and by the Lord. When the Lord issued this Command to me, I was not happy about it. I did not feel that I was up to the task. After the Command was Given the Lord spoke to me and let me know that He had almost crushed me. He then let me know that it was necessary to keep out the pride and the flesh from this work He had called me too. I

have talked to other Apostles who have gone through this crushing experience and some that are now going through it. I am talking of a complete stripping away. Many of these men the Lord is raising up as Apostles, will be strong and steadfast in the Faith not bowing to the doctrines of men and devils.

For two and half years I have felt like a lowly steno clerk in the complaints department at the Kings office. In this last month, especially watching the Lord move sovereignly to bring this to pass, I have felt a great level of excitement in my spirit.

In Sept. 96 the Lord impressed me that the Gathering was to be held in Anaheim. This happened after I had assumed that such a meeting should be held in Jerusalem. I have continually sought for confirmation as to the Location.

The day that I was going to make reservations in Anaheim, the Lord spoke to me twice as I was shaving and brushing my teeth. He said He wanted to use a Hotel. Then I was impressed that His Spirit was going to overflow the room we would be in. I am convinced that His leading has brought us to the West Coast Anaheim Hotel in Anaheim California USA.

I learned as I worked to make the reservations, that in those few square blocks around Disneyland there will be many people from around the World. The Anaheim Convention Center has every meeting room and auditorium completely booked for the entire month of Sept. by a company called West Pac.

The Lord has provided for some help in the office here. I have been working to contact the Apostles who have contacted me over this two and a half years. I know that the Lord has delayed this confirmation process so that it will not be about men promoting men or promoting themselves. As I have said I have never seen any thing like this. The Lord has been in Control all the way.

I also know that it is beyond the control of any man. We are looking for the Apostles of the Lord Jesus Christ who have been called by Him and told by Him that they are His Apostle. The Lord does send Teachers, preachers, Pastors, Evangelist, Prophets and Apostles. So just being sent cannot and must not be the criteria for Apostleship. The very nature of the calling and

of the disciple ship necessary, does insist that Jesus reveal this calling to you.

There are many men who are ordaining Apostles. It is not an ordination of men but of God. There are many prophesying from the soulish realm to others that they are called to be Apostles. Yes the Lord can confirm your calling through prophesy. But let the Lord tell you to confirm these prophesies before calling yourself an Apostle. We must understand and make our doctrines true to the word and will of God.

I have come to the realization that the Lord will continue to get this message out till the last minute and beyond. If you don't hear from me and you are sure of your calling by the Lord then you need to be present at this Gathering. But I assure you this Gathering is about the True Apostles of Jesus Christ. ACTUALLY, IT IS ABOUT THE LORD CALLING HIS CHURCH TO HIS ORDER AND WAYS. None of us would want to stand there lying to the Holy Ghost on that day.

If I haven't contacted you as an Apostle and you know that you are. Please send me your testimony as quickly as possible telling me why you say you are an Apostle. Please include your phone number so I can call you. As a matter of fact it would be a great help to have all your phone numbers. My number is at the bottom of this letter. If you have sent the testimony and haven't heard from me go ahead and contact me again. I can tell you I have a stack of papers on both sides of my computer that we are going through.

To those of you who have been contacted as Apostles, please understand the importance of this Gathering. It is serious Kingdom business and may very well require some sacrifice to attend. Those of you who are True Prophets of the Lord should be there as well. Many will be ordained and anointed by the Lord then launched into the work He has called them to. The Harvest of great proportion is soon to begin. We must all be in right position with the Lord.

As I have said before, anyone who wishes to attend is welcome. If you are seriously desiring to see the Lord bring His Church to Order, please be there as we all join our Faith in One Accord without division and denomination.

It will still take many miracles from the Lord to get everyone who should be there to be there. The Lord has already begun to move, seek Him for the provisions fully expecting Him to meet the need. There are many outside the USA who do need some help in getting to the meeting. I would encourage all of you to believe the Lord for the provision knowing that it His Will for you to be here. Let me know what the situation is.

If there are any of you who would want to help some of these men get here, Please let me know and I will put you in touch with them. Now is the time to get involved. Such a Gathering as this would not have been possible before the World Wide Web. Please help in getting this message out around the world.

There are no registration fees. There are no commissions being made by this ministry. I have placed an information page on the web site regarding the hotels in the area. Contact them as soon as possible to insure a room.

The day of Pentecost when the Lord first birthed His Church is over and I don't expect the Lord to do anything the same way twice. But I have heard Him tell me that this Gathering under His Command is the Key that will Unlock His Glory and the Final Move of His Spirit for these last days and the Final Harvest. I have had to fight at times to keep the conditions pure and fertile so the Lord would be unhindered to have His Will.

The only agenda for this meeting is to Gather according to His Command. No man has been delegated by man to preach or minister. There is a worship trio out of Santa Rosa Ca. who have volunteered with the praise and worship. They are only able to be there for two days. This again is not about entertainment. We could use some others who could share in the work of praise and worship. If your interested Please contact me. We surely would not want to subject anybody to my singing.

Bring a heart that is desiring to see things done the Lord's Way and desiring to see Him move in His Glory. If you would like a copy of the book Gather My Apostles and newsletters in hard copy just send your address and we will try to get a copy out to you as soon as possible.

Mark Chapter 12 - The Great Commandment

29 And Jesus answered him, The first of all the commandments is, Hear, O Israel; The Lord our God is one Lord: 30 And thou shalt love the Lord thy

God with all thy heart, and with all thy soul, and with all thy mind, and with all thy strength: this is the first commandment. 31 And the second is like, namely this, Thou shalt love thy neighbour as thyself. There is none other commandment greater than these.

God Bless You All. I will be writing again as is necessary.

I Love You All.
