News Letter Vol. 8

!! This is an Important Last Days Message to the Body of Christ !!

"Gather My Apostles" News Letter Vol. 8 Part 1

Dear Brethren,

It has been some time since I have written. The last letter I sent out was about an Apostle who was set on a path by God twenty five years ago to bring great finances into the Kingdom of God. In that letter I asked all of you to pray for this Brother. I received numerous letters asking for financial help. A few letters attacking and presuming that it was a hoax. As you can see, I am breaking this newsletter into two parts. I have much to tell you.

Before the turn of the year my server administrator switched my web site and mail accounts to a server he felt more comfortable with. Since December I have had problems with my e-mail. A lot of mail in the past two and half months just disappeared. I am praying that the problems are fixed. These problems have caused me to delay getting out this newsletter.

The magnitude of what I see the Lord doing right now, really hit me in December. I was filled with awe and a fresh fear of God. I have hesitated to write. But I believe that what the Lord is doing needs to be known of His people and His people need to pray and get behind Him, being careful not to fight against the Lord. Remember the Lord our God is Awesome and Almighty and He is not just having Church as usual. He is preparing a people that can show forth His Glory in the Earth once again before this age comes to an end. There is now and will be great Apostasy but I am convinced that this age will not pass without the Lord showing the World His Son Manifested in His Church, His People. (John 17).

The Apostle that I have been talking about was set on his path by God twenty five years ago. The Lord told him then that when He (the Lord)

gathered His Apostles the fruit of his work would be distributed to the Apostles to distribute to the Body of Christ to get them out of debt. The path that I am walking on now to Gather the Lord's Apostles (After the Lord's command) began 22 years ago. Now consider this; at this time in history the Lord has sovereignly and miraculously caused these two ministries to intersect. Not only have we intersected, we recognize each other in the Spirit. When I began to really understand this, I can tell you it really knocked me back. The Lord is Gathering His Apostles at this time to empower them spiritually and financially. Again I say I am in awe of what I see the Lord doing in the Earth to Call His Church to Order. The wealth of the wicked has indeed been laid up for the righteous. This is very powerful!! (Please Meditate on what I have just written in this paragraph.)

I spent some time with this Brother in intense spiritual warfare. Satan is not happy about what the Lord is doing. This Brother must remain anonymous at this time. The work has been named The Nehemiah Project. If you have wisdom you will pray for this project and this Brother who has a tremendous calling and responsibility. If you have wisdom you will continue to pray for the Gathering of the Lord's Apostles under His Command. I am also asking you to cover me with prayer. All of the ministries that the Lord is Calling forth for these last days, should be in your prayers. The Lord is Calling His Church to Order.

To those of you who responded to that last letter with your needs, please understand that we are not at that place just yet. There have been some breakthroughs but the work is ongoing. Just as soon as the money is available I will let you know. The Lord does want His people out of debt to this world, so they can serve Him better in His Kingdom.

This letter is also the first notice of the upcoming Apostles Gathering. I have reserved a Hotel in Atlanta Georgia for May 1-4. I will write with more detail in part 2 of this newsletter.

I know that many of you are wearied with all the talk of Apostles and Prophets. There are too many voices expressing their opinions with no mandate from the Lord and little understanding. What I am doing and writing, I do because of a command from the Lord to Gather His Apostles. I would not do this if it were not for that direct command. So I am going to ask you to read carefully what I am writing in this newsletter and in part 2. We need to understand what the Lord is doing in this time.

I ask the Lord to Bless You all and to increase your wisdom and hunger for Him, in Jesus Name.

Love

Cary Goodwin

"Gather My Apostles" Newsletter Vol. 8 Part 2

Dear Brethren,

In December 99, I began to see more evidence of the Lord's plans being revealed for these last days. Once again I was faced with the overwhelming understanding of just how important it is to Gather the Lord's Apostles according to the Command that He gave me.

At the last Gathering the Lord began a work in those Apostles who attended. It was like spending four days in the pages of New Testament scriptures. There were times that the Love of the Lord manifested in His servants was so great that I commented to one that if anyone from the hotel staff came in unsaved they would walk out saved. It was tremendous! We recognized then that the Lord was not finished with us. The Lord is still gathering and bringing His Apostles.

I recognized in Dec. that this would be an ongoing work and that it was imperative to discern rightly who is and who is not an Apostle of the Lord Jesus Christ. I have seen a few who are not Apostles presume to lead and in so doing bringing forth false doctrine. This is a serious matter and the entire Body of Christ needs to understand.

These Gatherings are about the Lord Calling His Church to Order. At the last Gathering we witnessed this; every time a man spoke on issues of the Gathering or things concerning bringing the Church to Order the words were anointed and took flight. Every time someone spoke concerning their own agenda or things contrary to the purpose of the Gathering there was no anointing no wings. The Lord is bringing His Apostles, according to His own Order and Ways, to the front. The Lord is preparing these men and getting ready to empower them spiritually, financially and in the Authority of the Calling. This is not a light matter. This should be significant to all in the Body of Christ. As the Lord sets His Kingdom in Order in the Earth and empowers His Apostles He will empower the rest of the Body, the Church.

Let's understand that not all will receive what He is doing. There will be Apostasy in great measure.

The Lord told me clearly that this Gathering of His Apostles under His Command was the Key to Unlocking His Glory and the final Move of His Spirit for these last days and the final Harvest. I don't know exactly how that door will open when the key is turned according to His Requirements. But I do know that it will not happen when there are men standing as Apostles who are not. I don't want to call any man an Apostle whom the Lord has not. Neither should you.

I have appointed seven men as Elders who I am confident are Apostles. They were chosen because they are mature in the Lord and I believe will put Kingdom business before their own agenda. Make no mistake this is Kingdom Business of the Highest Order. These men will be able to help in the discernment process and in the meetings. There will be more Elders appointed as we grow in what the Lord has for us.

I have asked that anyone wanting to attend and calling themselves an Apostle submit their testimonies and to say why they say they are an Apostle. Write Apostle Testimony in the Subject line and include your phone number in the letter.

There were some at the last Gathering who went around the process, I guess thinking it was nobody's business. An Apostle should be able to answer the question; Why do you say you are an Apostle? He should not be offended.

I have not spoken of all that I have heard and seen lately concerning what the Lord is doing in the earth. But from all I've seen and heard I believe the Lord is preparing a way for His people in the times that are coming. We must be willing to do all after the Lord's Order and Ways.

Remember the Lord sends forth Teachers, Pastors, Evangelists, Prophets and Apostles. If your doctrine says you've been sent or told to do something and told to go somewhere, therefore you must be an Apostle, your understanding is limited. If this is all you have to base your Apostleship on then you need to quit saying you are an Apostle. There are some who even use the term "one who is sent forth" thinking all will understand they are Apostles. This is a dangerous doctrine.

I have been working on a second book at the continual promptings of the Lord. I ask you to pray about that.

The Gathering is scheduled for May 1-4 2000 at the Atlanta Airport Marriott Hotel. They have given the Apostles Gathering a room rate of \$89 a day with up to four people in a room. There is no pre registration or fee. I would ask you to try to make your reservations before April 17 so we have some idea how many will be attending. The Hotel shuttle runs every 15 minutes to the airport. Atlanta is a major International Airport on the east coast receiving flights directly from overseas.

The Hotel reservations number is 1-800-228-9290 from outside the U.S. dial 01-404-766-7900.

There are Apostles overseas who will need our help in getting here. If those of you who can, will chip in as soon as possible we can get them ready to travel without waiting to the last minute like the last time. There are visa to get etc. They were a true blessing to us all last time and should be there. My mailing address and telephone numbers are at the bottom of this letter. I know the Lord will bless you for actively participating in this process.

I am scheduling a meeting of the Elders for March 28 and 29 prior to the Gathering.

I have consistently tried to keep this ground pure, so the Lord can do as He wills in our midst. Satan does fight and does try to disrupt. I would be very surprised if it were any different. The Lord does allow His word and works to be tried and tested.

I look forward to the Gathering with an earnest expectation of seeing the Glory of the Lord manifest in our midst. God Bless You all and increase you in every way.

I love you all

Cary Goodwin
