

# Apostles Gathering

## Overview

by Cary Goodwin

During the last five years that I was ministering the gospel of Jesus Christ over in remote jungle villages in Asia, the Lord was constantly speaking to me and teaching me about Calling His Church to Order. He told me to write it all down.

On my return to the States, the Lord called me aside from everything else and commanded me to write the book. When the book was almost finished, the Lord came to me one morning about 5:00 am. He began by calling my name. It was very formal. I didn't respond immediately, I didn't want to wake that early. Finally, at the insistence of the Lord's words, I answered with "Yes Lord". He then spoke to me and said, "**Gather together My Apostles**". I didn't fully understand and I asked Him to make it clear to me. He then said, "**Gather together My Apostles from around the world into one place and time as has not been since the days of Pentecost**".

For three days I sought the Lord continuously for more information and understanding. He was silent. On the third day, I became angry and demanded to know why He told me this and what did He want me to do. He finally answered and said, "**I have given you the wisdom and understanding to discern who is and who is not an Apostle unto me**". Then His last words were, "**Gather My Apostles!**"

This command began to come on Sept. 28, 1996. I wrestled with the Lord everyday and every night about this call. I was not looking for any new battles to take on. If anything, I had asked the Lord to release me from the ministry after many years of serious persecution. In Dec. 96, I was watching a preacher on television talking about the Glory of the Last Days when suddenly, the Lord spoke to me loud and clear, startling me. He said, "**I have given you the Key that will Unlock my Glory and the Final Move of My Spirit for these Last Days**". Until that moment I had not thought about this command being a Key. No man can turn this key alone.

At one point, the subject arose about having a preliminary meeting in Jerusalem in 1998. As I sought the Lord for direction, He told me it was not necessary to go to Jerusalem. Then He said, "**This Gathering of My Apostles under My Command is about the bringing forth of the New Jerusalem. It is about the fulfillment of the Times of the Gentiles. It is in this fulfilling of the End Times of the Gentiles that my beloved Israel shall be provoked to jealousy. Use caution move not by the flesh, move not by power nor by might but by my Spirit saith the Lord.**" This word was given on 7-8-98. As you can see this is of Utmost Importance. The details surrounding this word are described in

the News Letter, Vol. 3. In this brief overview, I have given you some of the most important Words the Lord has spoken to me about this Gathering of His Apostles.

Before you dismiss this easily, let me ask you some questions: is it possible that the Lord, at some time during this Age, would Call His Church to Order? In Calling His Church to Order, is it so hard to believe that He would begin by Commanding His Apostles to Gather according to His Own Order and Ways, even as He did in the birthing of His Church in the Beginning of this Age? If we can agree that He could and would, then at what time in the fulfilling of the end time prophecies would He do this? If He would command His Apostles to gather in repentance for the lawlessness of the churches in times past, who do you think He should deliver that command to? Is it possible that He would do it just at the brink of the beginning of Great Tribulations? We are on the Brink of Great Tribulations.

Why won't the Lord just send revival the way things are? Because the churches have trashed, done away with, the Order and Ways of God, replacing them with the order and ways of men and devils. The Lord is Calling His Remnant Church to Order to empower them with the former and latter rain for an End Time Harvest fulfilling His Mercy. What time do you think it is? This is Kingdom of God Business that affects everyone in the Kingdom of God.

I began to move out on this calling in Jan. 97 when the Lord told me to move quickly. He let me know that the meeting would be on an anniversary of the time the Command was given. This year, I spent many months seeking the Lord for confirmation of the date.

The first meeting will be over the Feast of Tabernacles 1999. More details will be posted here as they unfold. The Lord is Calling His Church to Order. I see the evidences almost daily.

I hope and pray that you will be able to spend some time here on this web site or print off the materials herein to distribute among the Brethren.

This site and work is dedicated to the Service of Our Lord Jesus Christ and the restoration of His Church, starting with the fulfillment of His Command to me to Gather His Apostles. If you are called to be an Apostle of the Lord Jesus Christ by the Lord, then please contact me as soon as possible. Remember this page is only a brief overview.

Here is a basic and simple truth: if the Lord Jesus has called you to be an Apostle, then you are an Apostle, even if no man calls you an Apostle. If 100,000 men call you to be an Apostle and the Lord has NOT, then you are a False Apostle.

I have published the book, Gather My Apostles. Feel free to print out the book from the web site.

We have been seeking the Apostles of the Lord Jesus Christ around the world and will continue. I have been working long hours using all available time and resources towards this end. Please print this material out and distribute it among the Body of Christ. There are some who have been called Apostles by the Lord and have told no one because of the persecutions. Remember, there is such a short time left.

News Letter Vol. 1 has the best explanation apart from the book. I would like to suggest that you print it out to use in getting this message out to the Body of Christ. This is a huge task and I know the Lord will bless you as you help in this work.

If there was ever any reason to let go of all division and to unite, I believe it is now to obey God in bringing a sincere desire before God, to restore His Order in His Church so that He can righteously pour out His Glory for the Former and Latter rain. It is the time.

**God Bless You with the Riches of His Glory in Christ  
Jesus our Lord.**
