This vision was given to the Apostle Paul Cunningham at the Atlanta Gathering

### A Man-Child

**At the Apostles Gathering, in Atlanta, as we worshipped the Lord and gave ourselves to the Spirit, A Vision appeared.**

**I saw the Heavens open, and a great white light appeared, radiating out from the One in the center, as the light from the sun does.**

**As I looked, I saw it was Jesus, and He held in His Hands a Child, who had just been recently born.**

**He extended the Child and asked, "Who will be responsible for this Child?, Who will care for it, nurture it, and see that it is kept safe from those who would harm or destroy it?"**

**(in the background, I could sense some who drew back , and had an attitude "we sure don't want the responsibility,... there could be reproach....people wouldn't understand...etc.")**

**The Lord reached down into our midst, and said 'will you (Apostles Gathering) be responsible for this Child?'**

**We who were gathered, and even others who are "with us" reached up IN ONE ACCORD, and our voices rang out, "we will accept this Child as our own, we will bear the full responsibility for it, we will nurture and cherish it, and bring it to full maturity...we will see that no harm comes to it."**

**Jesus then, handed the Child into our collective hands, and said, "I will be with you, I will provide ALL THINGS NEEDED to bring this Child to maturity and for it to accomplish the Divine Purpose I have Ordained for it in the earth...My Glory will be seen, and the Harvest will be reaped."**

**God has "birthed a child" A MAN CHILD, who is to *bring about a dramatic change in the entire structure of the CHURCH...The Man Child will bring full Apostolic Order to the Ministry and in turn, to the Church.***
